EAST BURWOOD FOOTBALL CLUB 2012 MAJOR SPONSORS

A Word From The President:

JOHN SWORD

So far so good. It's been a great start to the season, one win from the top of the ladder. From a Presidents point of view it's great to see the club itself is heading in the right direction. The game against Croydon was always going to be tough we seem to always have a close game against the Blues and to see the boy's win albeit at times ugly was great, after all the 4 points are what count the most. The Reserves are struggling for a number of reasons but I'm sure as players return from injury we will give a much better account of ourselves. The Colts had the Bye last week and with a week to reflect I'm sure Bruce and the boy's will come out all guns blazing, I look forward to the boy's singing the Club song.

This week we travel to Cheong Park the home of South Croydon, a venue he have not played on often. The ground has had a new surface laid and by all reports is in excellent condition, it should make a nice change from when we last visited. I also hope the result this time is in our favor. South Croydon have had some close losses this season and will be looking for a win at home, we will have to be on our guard if we are to maintain our strike rate.

It's my understanding some people are finding it difficult to read the score on our new electronic scoreboard. We are looking into ways that we may be able to solve this problem and we ask that you be patient. Change is always going to take time to get use to. However we do realize the problem and we will do our best to solve it. Coming up are some very important Social Events. As you may be aware this Saturday Night is one of our major events and we look forward to you coming along and supporting the night. For more details on this night see myself or Peter May. The Clubs Team of the Decade Evening is also coming up on the 30th of June. This Event will be held at the Sporting Club , more info soon. We also have our Major fundraiser for the year The Annual Auction on the 21st of July. The Auction this year will be held at St. Scholastica's on Burwood Hwy, which is a much larger venue. It is our aim to get as many members sponsors and supporters along as possible. If you are able to donate an Auction Item or would like to book your seat on the night please contact Wayne Putt on 0402 341 656. Please keep

Round 5
19th of May
South Croydon (A)

Round 6
26th of May
Noble Park (A)

in mind that the cost is \$25 per person or a special deal of \$200 for a table of ten, however this must be pre booked for catering purposes. Drinks will be at Bar prices and promises to be a huge night with plenty of bargains on offer.

Looking at last week's footy record I could not believe how much was on East Burwood . A double page spread on Robbie Campbell, a page on Volunteer Recognition on which Peter White was awarded, a story on the Club in Bound for Glory and a full page picture of Jason Kennedy, (and what a great picture of poise and concentration it was). It's all great, so I will take it as tick for the club.

Also a quick reminder that Thursday nights after training is selection, teams are announced and a hot meal is available. Bar opens around 6.00pm, meals start around 7.00pm and teams are announced around 8.30pm. If you have any questions in regards to what is happening around the club feel free to contact me. GO RAMS

Seniors: Rd 4 East Burwood 17.8.110 Vs Croydon 12.6.78

A Win is a Win is a Win. Sometimes, for whatever reason, you have a game where you do not play well, where your plans come unstuck and the ball just does not seem to bounce the way you want it to. Of course sometimes the opposition plays well and prevents you from doing the things you want to do. Such was the case against Croydon. Although they were sitting bottom of the ladder they played a good game and gave us all sorts of problems, before we finally came out on top. Whilst it was disappointing to play a game where we just never really got going properly, in the end, the most important thing is that we won. Despite our problems we hung in there and did enough to win. At season's end the game won't be remembered but the 4 points gained will be important. Perhaps, on reflection, we were due for a drop-off, after being up and switched on for our first three games. It is hard to maintain

maximum intensity every week for a full season. Which makes winning such games even more important. That we are not entirely happy, yet we still recorded a 32 point win is probably a good reflection of the team we want to be, where we are at the moment and where we see ourselves going. That game was the type of game we would have lost last year. It may have been winning ugly, but it was still winning and we will take that any day. Another such danger game awaits us next week, against South Croydon. Greg Freemantle / Senior Coach.

Reserves: Rd 4 East Burwood 4.11.35 Vs Croydon 8.12.60

Coming up this week against bottom side Croydon the expectation was to win and win well. Unfortunately the game didn't go to plan with a really poor performance over 4 quarters unable to fire a shot from start to finish. Our overuse of the footy and lack of pressure around the contest lead to a disappointing day. Clearly we have a lot of work to do to improve and I'm confident that every

player that puts on a rams jumper next week will do so with a lot more hunger for the contest

Stuart Wynd.

MISSION STATEMENT:

To provide a secure, accepting and enjoyable environment for all members of the community.

To pursue their sporting interests within a club structure that encourages team & individual excellence.

Having pride in the clubs rich history, whilst creating a successful future based on a strong team, family, moral and ethical values both on and off the field.

JUNIOR REPORT

Happily after this week's matches two of our junior teams are sitting on top of their respective ladders. The U11s have not looked like losing a game this season and the team is looking well placed to launch a huge finals campaign. The U17s after a traumatic uncertain preseason are taking it all before them and are enjoying sitting above the crowd on their ladder. Sitting on the Junior Committee you hear a lot of talk about development and future proofing the club which is all well and good but current potential success is a great thing to be involved in and exciting to be around.

Our other competitive sides are all still in the finals race despite not having the best of weekends. The U15s have been decimated with injuries over the last few weeks which has seen some players from the U13s and U14s backing up for a second game on the same day to give the U15s a bench to rotate from. But that's what's so special about the Junior club, the willingness of all players and parents to help out and do what they can.

Over the next two weekends both U9s teams and the U10s teams will be competing in their Lightning Premierhips. In the past few years we The Rams have been fortunate enough to bring home some silverware so we are hoping for another successful campaign this year for our teams. Go hard little Rammers and make us all proud.

Go Rams
Ray Kimber
Junior President.

Beer Booth Chronicles

Hi all. Well it's around the Club this week. Greg and his warriors are doing the Club proud but we won't get ahead of ourselves like those blues, hey hawk. Stewy is doing it tough, but he knows he has a role to fill bringing those youngsters along. A few old heads returning are helping. Bruce, you are doing a great job which will be rewarded as the boys bodies mature. The experience, the guidance will come to the fore as the season progresses and next year approaches.

Dicko and Patty are doing a great job with the memberships so please make their job easier by doing the obvious. Sloppy is hobbling around under the pretence of a work related injury. The crutches are a sign of I need sympathy and Robin is being sucked in. The Burvale scullers are awake to you sloppy.

Yours truly is off to Eildon this Thursday for the weekend to endure some sunshine and fishing.

Will give a full report in the next edition of the "chronicles".

Cheers Mocca

IT'S THE NEXT LOOK FOR NOVOTEL MELBOURNE GLEN WAVERLEY IN 2012

Proposed room design

Following on from a full refurbishment of all public and conference areas, this year the Novotel Melbourne Glen Waverley will invest an additional \$5.6 million on the refurbishment of all 200 accommodation rooms. The refurbishment heralds the arrival of Novotel's new NEXT room concept to Melbourne's eastern suburbs, incorporating a contemporary and stylish new design with new advances in in-room technology.

Accommodation rooms will receive a fresh new colour scheme, contemporary soft furnishings including the Novotel NEXT Halo Bedhead with integrated backlighting, chaise lounge and coffee table as well as a large workstation inclusive of the "MediaHub HD". This new in-room technology allows stereo Bluetooth enabled smart phones, laptops, or MP3 players to wirelessly stream audio through the new 32" television, thereby converting the room into a mobile office.

Bathrooms are not forgotten, receiving new basins and stone vanities along with the featured NEXT Halo Vanity Mirror. Frameless shower screens and designer tap ware will complete the stylish new bathroom design.

Each **accommodation hallway** will also receive a fresh new look to complement the new rooms, including a new colour scheme and matching carpet.

Guest disruption will be minor if any. Of the six hotel floors, two accommodation floors at a time will be placed out of order so that guests will not see any refurbishment work in progress. Nor will there be any guest disruption or refurbishment work in any other area of the hotel. There will not be any jack hammering or similar work undertaken during the refurbishment. All work will be carried out between June – September but limited to Monday to Friday, 9am – 5pm when the majority of guests are out and about.

	Painting	Soft Furnishings	Guest Floor Closures	Drilling	Jack Hammering	Guest Lift Disruption
Rooms	✓	✓	✓ (two at a time)	Minimal	✗	✗
Hallways	✓	✓	✓ (two at a time)	Minimal	✗	✗

So stay tuned because you may experience a room on one of the first two refurbished floors, from mid July!
